Subject: Draft Tejon Affirmation Press Release

Hi -
Here is the draft in our format. This will be updated with Michael and Patrice's edits. I have to drive to NYC, so Richard Meyers in my office finish inputting your edits, I'll be in touch by Black Berry. Hopefully we will get this out soon so the media will pick up this great justice for the Tejon! My office is ready to send out as soon as I get the word. Happy New Year! Wave at me in Times Square!
Thanks.
